WELCOME!

Dr. Kayla R. Stover

Assistant Dean-Jackson; Vice Chair of Pharmacy Practice

Congratulations on reaching the halfway point of your professional journey, and welcome to the School of Pharmacy Medical Center Campus!

This is an exciting time as you transition to Jackson to complete the last two years of Pharmacy School. We are thrilled to have you here and excited for you to embark on this next chapter of your educational journey. The last two years have been challenging and we applaud your hard work, dedication, and accomplishments. As the Class of 2026, you have new experiences ahead during your final two years and we look forward to sharing those with you.

This manual introduces the University of Mississippi Medical Center (UMMC) and our School on this campus. UMMC is our state's only academic medical center and children's hospital. While on this campus, you will hear that UMMC is "all of us, all working together, All For Your Health." UMMC has over 10,000 employees who, in addition to education, provide vital clinical services and lead cutting-edge research. During your third and fourth professional years, you will have the opportunity to apply the knowledge and skills you have gained to this point. By focusing on a patient-centered approach to healthcare, you will develop a deeper understanding of the complexities of patient care, the importance of effective communication with your patients and colleagues, and the role of interdisciplinary teamwork in improving patient outcomes.

The School of Pharmacy on the Medical Center campus includes School of Pharmacy administration, Department of Pharmacy Practice faculty and staff, the Division of Pharmacy Professional Development, the Center for Clinical and Translational Science, and the administrative "home" for our School of Pharmacy residency programs. You will have the opportunity to collaborate with individuals in all of these areas, as well as with many people outside the School of Pharmacy. I want to assure you that I, along with our School of Pharmacy team in Jackson, am here to help make this transition a positive experience. We care about you and we want you to be successful!

We hope that you will find Jackson and the Medical Center campus to be a welcoming and supportive community that provides you with the tools and resources you need to succeed in your studies and future career. We encourage you to explore all that the city has to offer and get involved in extracurricular activities, clubs, and organizations, many of which are outlined in this manual. We are confident that your time here will be rewarding, and we look forward to seeing you thrive and grow.

Wishing you all the best during your time here at UMMC!

NUMBERS TO KNOW

Campus Police (Emergency from Cell Phone).....	601-815-7777
Campus Police (Emergency from Campus Phone).....	911
Campus Police (Non-Emergency).....	601-984-1360 or 41360

YOU ARE HERE

Believe it or not, there's a reason our program has a split campus. You get to experience the best of both cities. With our SOP building located in the heart of the academic area on UMMC's campus, you'll see students from the Dental School, Medical School, Nursing School, Graduate School, School of Health-Related Professions (SHRP, aka "sharp"), and School of

Population Health every day. We are also within walking distance of the only Level 1 Trauma hospital, the only children's hospital in the state, and the home of the first lung transplant. There is always something exciting going on at UMMC, so take advantage of your time here.

THE UNIVERSITY OF MISSISSIPPI
MEDICAL CENTER
EDUCATION • RESEARCH • HEALTHCARE

TRANSPORTATION & PARKING

As a student, you will park in the Mississippi Veterans Memorial Stadium parking lot across from the campus on North State Street at no charge. While many students walk, a free shuttle is available to drop you off right in front of the SHRP Building (Shuttle Stop 15), a parking lot away from the Pharmacy School. Current shuttle bus hours, routes, parking zones, and shuttle tracker information are posted at umc.edu/shuttle. Many students park and ride the Gold Line shuttle. A second option would be the Red Line shuttle, both will drop you off at the same location (Shuttle Stop 15). Whether you are walking or riding the shuttle, make sure you prepare. The easiest times to get a good parking spot in the Stadium lot are before 8 am and late afternoon. If you arrive between those times, you will likely have to park farther back in the north overflow parking lot. If you need to go to the parking lot after hours, you can call Campus Police at 984-1360 to arrange an escort and transportation. Campus Police patrol student parking lots but it is recommended to keep bags in trunks. Students requesting parking accommodations should speak with Dr. Kayla Stover. Although the visitors' parking garages and lots may be tempting, cars parked illegally on campus may be ticketed or towed at your expense and any student who violates Medical Center parking policies is subject to disciplinary action. After hours (5:00 – 11:00 pm) and on weekends, you may park your car in front of the SOP building or in Lot 21 *with Parking approval*. Instructions will be provided later. If you'd like to ride your bicycle to campus, there's a bike rack right in front of the School of Pharmacy building.

UMMC's Student Services

Rowland Medical Library (RML)

Named in honor of Dr. Peter Rowland, a former professor of pharmacology, the library serves all Medical Center schools and programs. All library operations are fully automated and provide access to the online catalog of library holdings and several bibliographic and reference databases such as MEDLINE/PubMed, CINAHL, and Embase. It contains more than 237,735 print volumes and receives 2,403 current periodicals and serial publications. It has copiers/printers/scanners and SOP students have 5000 free pages of printing there. The library has plenty of newly renovated study space. <https://www.umc.edu/library/Library.html>

RML Library Hours and Access

24/7/365

UMMC Badge swipe will be required for entry

Staffed hours - Monday - Friday, 7:00 am - 4:30 pm

Library Staff are not available on official UMMC holidays.

Student Union

We are very lucky to be right across from the Norman C. Nelson Student Union where you will find the campus bookstore, a food court, a gymnasium (full-sized basketball court, pickleball courts, locker rooms, showers, indoor walking/running tracks, aerobics/weightlifting rooms), the student lounge, a TV room, study rooms, several conference rooms, and the ASB suite. If the Ole Miss Student Union was combined with the Turner Center and then shrunk into a building the size of TCRC, then you'd have UMMC's Student Union. Hours are available at <https://www.umc.edu/studentunion/>.

Postal Service

The Post Office, room N019, is in the basement of the "old" part of UMMC. It is open from 10am to 3:30pm, Monday through Friday, and offers all standard services including registered and insured mail and money orders. There is also a FedEx drop box.

Badges/IDs

Each student will be issued a UMMC identification badge during Orientation in August with a photograph. It is to be worn at all times while on campus or in any clinical setting. It can be used for check cashing in the bookstore, library checkouts, security identification purposes, a discount in the cafeteria, and access into certain areas of the Medical Center –including the SOP. You may also use your badge for class attendance. Make sure you don't lose your badge or you'll have to pay ~\$20 to replace it.

Notary Public

If you should need to have something notarized, Mr. Robert Metzger is a notary public. Mr. Metzger is located in Room PH 118.

UMMC'S OFFICE FOR STUDENT SUCCESS

Student Success in the Office of Student Affairs provides the following services.

Student Success Series (S³). The Student Success Series (S³) is an initiative providing student success programs and events addressing academic achievement, professionalism, and career preparation to promote excellence for students in the health science professions. To access detailed information about Student Success Series, access the webpage. <http://www.umc.edu/s3series>

Academic Success Kiosk. The Academic Success Kiosk (ASK) is an online, self-paced resource available to students at the University of Mississippi Medical Center. ASK addresses time management, study skills, and professionalism. To register, complete the Register for ASK online form. <http://www.umc.edu/ASK/>

University Tutoring Services. University Tutoring Services is a peer tutoring program available to students experiencing academic difficulty who are currently enrolled in the University of Mississippi Medical Center. Supportive instruction is provided by peers with similar educational backgrounds. Students who meet the eligibility criteria above should contact their program directors or academic deans for information about referrals for tutoring. http://www.umc.edu/University_Tutoring/

Academic Tools and Resources. Student Success provides links to multiple external resources for additional information regarding study strategies and academic effectiveness. https://umc.edu/study_resources

Writing Collaborative. The UMMC Writing Collaborative partners with the University of Mississippi (UM) Writing Centers to offer exceptional writing support services to UMMC students. To request services from the Writing Collaborative, complete the form found on the website. http://www.umc.edu/writing_services

Excellent Teacher. Promoting effective teaching and encouraging professional development in residents, fellows, and faculty in online, self-paced courses. http://www.umc.edu/excellent_teacher/

Student Complaints. Student Success maintains the process, tracks complaints, and documents responses to formal written student complaints submitted via the UMMC Student Complaint Form. For more information, visit the webpage. https://umc.edu/student_complaints

UMMC'S ASSOCIATED STUDENT BODY

UMMC's ASB is historically very active. The ASB is known for great parties; our students go all out for these parties - especially Halloween. Trust me, you'll want to take the night off for these events! The Claus Ball and the Anatomy Ball are the annual formal events ("cocktail attire"). An End-of-the-Year Celebration will be held in May. In addition to all the parties, there may be opportunities to get free tickets to the symphony, plays, movies, the zoo, etc. ASB participates in many philanthropic events such as canned food drives, "Be the Match" bone marrow drive, and Spooky U. To keep up with philanthropic opportunities and events follow UMMC ASB on Instagram at ummc_studentlife.

UMMC's ASB is comprised of four Executive officers: President, VP, Secretary, and Treasurer. These officers are elected by the student body, and individuals from each program at UMMC are encouraged to run for these positions. There are also appointees who serve on the ASB. The ASB president

appoints UMMC students to these positions at his/her discretion. Currently, there are a number of people serving in this capacity, including intramural chair, *Murmur* Editor, *Medic* Editor, philanthropy chairs, diversity and inclusion chairs, public relations chair, interprofessional education chairs, school cup chair, wellness chairs, alumni affairs liaison chairs, and mentoring chairs. These positions can be filled by UMMC students at-large (i.e. no current association with the ASB) or by current ASB members. Students vote for their school Senator to serve on ASB and all students are invited to attend monthly ASB meetings held at the Union on the first Monday of the month.

The ASB is always very welcoming of pharmacy students, so you won't feel like a visitor at UMMC! In the past, pharmacy students have held positions such as Secretary, School Cup Chair, Philanthropy Chair, and Wellness Committee Chair. We encourage you to become involved within ASB, and make the changes you wish to see!

Make time for fun!

ASB Events

August	Back to School Welcome Week
September	Italian Supper Night
October	Pumpkin Patch Halloween Bash
November	Trivia Night
December	Claus Ball
February	Anatomy Ball
April	Spring Bash
May	End of the Year Celebration

Activities, games, food trucks and more!!!

COMMUNITY SERVICE

Although you will be busy as a P3, there is still time to stay involved. There are several extracurricular events that will offer you the chance to get involved on campus and in the greater Jackson community. From 5Ks and health fairs to crafting activities, Jackson truly does offer something to fit most anyone's interests.

There are ample opportunities to keep your professional skill set sharp. Several organizations offer health fairs around the Jackson-area as well as vaccination drives.

The Jackson Free Clinic (JFC) is a great way to put what you are learning into action. The JFC is operated by medical, pharmacy, OT/PT, and dental students. The JFC provides free healthcare to the uninsured population of Jackson and is open on Saturdays from 9:30 am to 3:30 pm. Pharmacy students have the opportunity to participate in teams with interns and medical students to determine the best options for patient care.

Spooky U is a Trunk-or-Treat event sponsored by the Medical Student Family Alliance (MSFA) each October for the families of UMMC staff and students. This event benefits Mustard Seed. Students from different schools and organizations choose a theme, come in costume, and set up booths including games and prizes. There are also costume contests, food, music, and prizes. Each year the School of Pharmacy participates with a tent, games, lots of candy, and has often been voted best booth.

Dental Mission Week and Red Door Tutoring Program are also opportunities for community service. Dental Mission Week is an annual event in the spring that provides free dental treatment and pain relief to underserved adults and children. The School of Pharmacy provides pharmacy services to those receiving treatment. Red Door Tutoring meets once a week and provides one-on-one tutoring for students from kindergarten through 12th grade.

Some student organizations visit Batson Children's Hospital during different holidays. In previous years students went "reverse trick-or-treating" to give hospitalized children a fun Halloween experience. Students have also held mini Mardi Gras parades for patients in February.

About once-a-month organizations can host dinner for the families at Ronald McDonald House on campus. Organizations either sign up to donate a meal or agree to help do needed chores around the house.

More service opportunities in the Jackson area can be found on Instagram and Twitter at UMMC_ASB. It is a great way to serve with other UMMC schools.

The two Jackson community service chairs organize several events that offer opportunities in which all student body members are invited to participate.

These are just a few of the opportunities available to you. Remember that there is a lot to do in Jackson, so do your best to pace yourself and try to stay involved.

Be a part of your new community!

Typical Events:

- Spooky U
- Jackson Free Clinic
- Ronald McDonald House
- UMMC Flu Blitz
- UMMC_ASB
- Arts and Crafts with Batson
- Dental Mission Week
- Children's Hospital

ORGANIZATIONS & OPPORTUNITIES

While in Jackson you will have the opportunity to get involved in many different programs and participate in new and exciting experiences. Activities and events change year to year but there are some unique opportunities to the Jackson area that you wouldn't have the chance to participate in otherwise. Below are a few highlights of organizations and involvement opportunities in Jackson.

First, the School of Pharmacy is on the UMMC campus with 7 health professions schools, so there are many interprofessional events and opportunities to interact with other students. Beyond interprofessional education coursework, you have the opportunity to work in the state-of-the-art simulation lab at the School of Medicine, care for standardized patients in multidisciplinary teams, and participate in multiple simulation activities. UMMC ASB (see the informational page in this book!) hosts multiple service and social events, including Spooky-U, the Student Success Series, professional development, and family/social nights.

Second, while most organizations continue from Oxford, the experiences offered may change. UMAC-SOP (University of Mississippi Advocacy Committee) promotes pharmacy advocacy and is heavily involved with Capitol Day. SCCP hosts mock interviews to prepare students for residency and pharmacy job interviews, as well as the ACCP Clinical Pharmacy Challenge. ASHP-SSHP along with PediaRebs (Pediatric Pharmacy Advocacy Group) are quite involved with projects benefitting Mississippi Children's Hospital, as well as other opportunities for health education targeted for children. ASHP-SSHP hosts the Clinical Skills Competition and APhA-ASP hosts the Patient Counseling Competition annually! APhA-ASP Operation Immunization continues in Jackson as "Flu on Wheels" in conjunction with UMMC Student-Employee Health Services. SNPhA provides health screenings in the Jackson area, and ACVP has gone to the New Orleans Zoo. CPFI hosts events such as prayer breakfasts and Friendsgiving. Our professional fraternities are involved in community service and social activities. Additionally, organizations may take turns hosting days at Jackson Free Clinic and Ronald McDonald House throughout the semester.

Next, state and national pharmacy organizations provide excellent opportunities to get involved. Annual state conventions and national pharmacy organization meetings such as ASHP Midyear, ACCP, and APhA provide opportunities for student pharmacists to network with pharmacists from all over, present research that you have worked on while in school, and attend educational and professional development sessions. You will have the opportunity to serve on state and national organization committees, gain valuable leadership insight, and network with pharmacists from all over the state and nation.

To top it off, at the end of each year the Student Body hosts an end-of-the-year party for P3 and P4 students, where students fellowship with classmates and have a chance to interact with some of your faculty outside of the classroom.

These are just a few examples of organizations and opportunities that are available to you! All of our organizations are active and are always finding a way to make a difference. Get involved as soon as you can!

Opportunities:

Flu on wheels

Capitol Day

Clinical Skills Competition

Clinical Pharmacy Challenge

Professional Meetings

Jackson Free Clinic

Ronald McDonald House

UMMC ASB

Spooky U

UMMC Student Success Series

Research Opportunities

INTERESTED IN RESEARCH?

FIND A MENTOR

As in Oxford, students in Jackson will have a number of opportunities to obtain research experience. These opportunities on the UMMC campus can assist in career pursuits following graduation. Faculty in Jackson engage in clinical, basic science, and translational research. Where basic science research can focus on drug development, clinical research can aim to determine a drug's place in therapy or use in a particular population. Translational research is the connection between basic and clinical research and can also include applying clinical studies to patients in the community.

Students are encouraged to seek opportunities to participate in research in a variety of areas and across patient populations in the continuum of care. There are many ways to develop research skills by developing research protocols, collecting and analyzing data, presenting research at national conventions, and authoring manuscripts for publication. Students should speak with full and part-time faculty members that share their same research interests. Faculty members often have projects in progress that students can work on, present, and potentially publish. Additional opportunities for faculty/student collaboration may be disseminated via GivePulse, email newsletter, and announcements on the student lounge monitors.

PRACTICE EXPERIENCES

During P3 Orientation and throughout the year, the experiential programs staff will meet with the class to discuss information related to rotations. At the beginning of the P3 year, upon request, our experiential programs staff will meet with you individually to discuss your specific interests in order to plan your Advanced Pharmacy Practice Experiences (APPE) during your P4 year. At the beginning of the spring semester, you will have the opportunity to begin entering preferences for your P4 APPE rotations.

Throughout the P3 year you will complete 5 IPPE rotations – four (4) longitudinally throughout the year and one (1) week-long elective rotation. During each longitudinal rotation you will report to your rotation site for 4 hours per week over 5 select weeks either in the institutional, ambulatory, community or specialty pharmacy settings. These are great opportunities to apply your clinical knowledge and to learn about different practice sites before you start your APPEs.

It is important to take advantage of these opportunities as student pharmacists to learn about unique practice sites and to refine your interests. You will be a pharmacist before you know it, so it is important that you explore your options and network throughout the vast pharmacy community. Keeping that in mind, it is in your best interest to treat each rotation like an interview. Remember that you only have one chance to make a good first impression.

RESTAURANTS

Key: \$<10; \$\$:10-15; \$\$\$:15-25; \$\$\$\$:25+

UMMC Off-Campus Housing Service, <https://offcampushousing.umc.edu/> - UMMC provides students a free service to help locate housing close to campus. UMMC, property managers, and students work together to simplify the search for renting off-campus apartments, rooms, and houses as well as roommates, furniture, and carpools. This site also links to resources such as sample leases, safety checklists, roommate agreements, utility setup, public transportation, and local governments.

General Info:

- Start early to get on waiting lists at complex, but most will not confirm until summer.
- Most apartments have washer/dryer connections; many offer rentals for an additional fee.
- **ASK FOR UMMC STUDENT DISCOUNTS!!!** Also, you can get discounts if someone (friend, other pharmacy student, etc.) referred you to apartment.
- Multiple houses in this area are rented by UMMC and/or MC Law students. From February to May, medical students will be looking to sell/lease houses as they leave for residencies. Some houses aren't even listed, so it is helpful to just drive through neighborhoods to see what is available.
- Apartment Guide available at: <http://www.apartmentguide.com/>

FONDREN/EASTOVER (*artsy, very laidback area; UMMC is located in the Fondren area*)

The District Lofts at Eastover

- 1254 Eastover Drive Jackson, MS—Located on the east side of I-55.
- 1, 2, and 3 bedrooms
- Covered parking, saltwater pool, outdoor kitchen, pet friendly, washer/dryer
- <http://www.thedistrictloftsateastover.net/>

The Meridian

- 802 Lakeland Drive, Jackson, MS -Located across the street from UMMC.
- Studio, 1, 2, and 3 bedrooms
- Garage parking, washer/dryer, saltwater pool, outdoor kitchen, pet friendly
- <http://www.meridianatfondren.com/>

Vieux Carre Apartments

- 3975 Interstate 55 North Frontage Road, Jackson, MS—at the intersection of Eastover Dr. and I-55, approximately 5 minutes from UMMC
- 1, 2, and 3 bedrooms
- laundry facility onsite as well as washer/dryer in some units, pet friendly
- <http://www.vcarre.com/>

BELHAVEN: (*very artsy; surrounding Belhaven College and near Baptist Hospital*).
Contact Neham Properties: <http://www.nejamproperties.com/>

Belhaven Place

- 1315 North Jefferson, Jackson, MS - approximately 5 minutes from UMMC
- 1 bedroom/1 bath, 2 bedrooms/ 1 bath, and 2 bedrooms/1.5 bath
- Gated, water included in rent, laundry facility, no pets
- <http://www.johnrlewisrealestate.com/>

FLOWOOD: About 4 miles down LAKELAND DRIVE. Keep in mind that traffic on Lakeland can be heavy around 8am and 5pm - make adjustments to drive-time!

Shadow Lake

- 150 Park Circle Drive, Flowood, MS (Across from Primos on Lakeland)
- Approximately 10 minutes from UMMC
- 2 bedrooms/1 bath and 2 bedrooms/2 bath
- Gated, free cable, washer/dryer connections, pet friendly with pet park,
- Ask for UMMC discount
- <https://www.apartmentguide.com/apartments/Mississippi/Flowood/Shadow-Lake-of-Flowood/169739/>

Cypress Pointe

- 1227 Pin Oak Drive, Flowood, MS (Behind Jackson Prep; sister complex to Shadow Lake;
- Cypress Pointe is just a little newer)
- Approximately 15 minutes from UMMC
- Spacious 1 bedroom, 2 bedrooms/ 1 bath, and 2 bedrooms/2 bath
- Gated, washer/dryer connections, pet friendly
- Ask for UMMC discount
- <http://www.cypresspointeflowood.com>

Reflection Pointe

- 2945 Layfair Drive, Flowood, MS (Just off Lakeland Drive, close Flowood option to UMMC)
- Approximately 10-20 minutes from UMC depending on traffic
- 1 and 2 bedrooms
- Fireplaces in select units, washer/dryer connections, pet friendly, covered parking available
- <http://www.maac.com/mississippi/jackson/reflection-pointe/>

Ashford Place

- 5201 Lakeland Drive, Flowood, MS (Across from Best Buy/PetSmart in Dogwood)
- Approximately 15-20 minutes from UMMC (allow extra time for traffic)
- 1, 2, and 3 bedrooms
- Gated, carwash station, washer/dryer connections, garages available, outdoor kitchen area, pet friendly
- <http://www.flowoodapartments.com/>

Laurel Park Apartments

- 4701 Lakeland Drive, Flowood, MS
- Only about a 15-20 minute drive to UMMC (allow extra time for traffic)
- 1 bedroom, 2 bedrooms/1 bath, 2 bedrooms/2 bath
- Gated, washer/dryer connections, pet friendly
- <http://www.laurelparkflowood.com/>

Bridgewater

- 500 Avalon Way, Brandon, MS (10 miles down Lakeland, left at the Walmart (Hugh Ward Blvd)
- Approximately 20-25 minutes from UMMC... 14 miles from UMMC (allow extra time for traffic)
- 1, 2, and 3 bedrooms
- Gated, washer/dryer connections, pet friendly
- <http://www.liveatbridgewaterapts.com>

Ridgeland: Near Northpark Mall, Renaissance at Colony Park, numerous restaurants, and easy access to Madison.

Northpointe Village

- 6295 Old Canton Rd, Jackson, MS (near Country Club of Jackson entrance)
- Approximately 15-20 minute drive from UMMC
- 2 and 3 bedroom townhomes
- Gated, washer/dryer connections, pet friendly,
- <http://www.apartmentguide.com/apartments/mississippi/Jackson/Northpointe-Village-Apartments/100021747/>

The Legacy

- 761 Rice Rd, Ridgeland, MS (near Natchez Trace Trails)
- Good location, about 15-20 minute drive to UMMC (allow extra time for traffic)
- 1, 2 and 3 bedrooms
- Gated, washer/dryer connections, car wash facility, furnished apartments available, pet friendly with dog park,
- <http://www.liveatlegacyapts.com/>

The Pointe of Ridgeland

- 831 Rice Road, Ridgeland, MS
- Good location, about 15-20 minute drive to UMMC (allow extra time for traffic)
- 1, 2, or 3 bedrooms
- Washer/dryer connections, fireplace in select units, 3-acre lake with walking trail, pet friendly
- <http://www.caseusa.com/apartments/ms/ridgeland/pointe-of-ridgeland/neighborhood>

The Van Mark

- 6811 Old Canton Rd, Ridgeland, MS
- Approximately 20 minutes from UMMC
- 1 bedroom/1 bath and 2 bedrooms/2 baths
- Gated, pet friendly with dog park, car wash facility,
- <http://www.lifeatvanmark.com>

The Reserve of Jackson

- 2501 River Oaks Blvd. Jackson, MS
- Only about 15-20 minute drive to UMMC
- 1, 2, or 3-bedroom
- Gated, covered parking, washer/dryer connections, fitness center, playground, pet friendly
- <http://www.liveatreservejacksonapts.com/>

The Arbors at Natchez Trace

- 715 Rice Road, Ridgeland, MS
- About 15-20 minutes to UMMC (allow extra time for traffic)
- 1, 2, and 3 bedrooms
- Gated, pet friendly, washer/dryer connections
- <http://www.arborsatnatcheztrace.com/>

The Arbors at the Reservoir

- 959 Lake Harbour Drive, Ridgeland, MS
- About 15-20 minutes to UMMC (allow extra time for traffic)
- 1, 2, and 3 bedrooms
- Pet friendly, washer/dryer connections, garages available
- <http://www.arborsatthereservoir.com>

EVENTS

So much
to do!

Throughout the year

JXN Flea – monthly market of artists and small businesses at the Ecoshed.

Brandon Amphitheater—Local entertainment and music venue.

Music in the City – The Mississippi Museum of Art teams up with St. Andrew's Cathedral to bring free music once a month.

New Stage Theater and **Broadway in Jackson** offer discounted tickets for students and there is free admission for the MS Museum of Art **Screen on the Green**.

District Thursdays – Outdoor live music on the District Green

Mississippi Symphony Orchestra – Indoor and outdoor performances

July

Ridgeland Celebrates America Balloon Glow – one of the many 4th of July celebrations with hot air balloons, food, and music

September

Mississippi Book Festival—This “literary lawn party” is a free event every August featuring author readings and signings

Bright Lights, Belhaven Nights – Evening street festival in the Belhaven neighborhood, full of local artists, food vendors, and children's events

Gluckstadt's German Fest – Music, food, and draft horse wagon rides

Wells Fest—A family-friendly music festival in Jamie Fowler Boyll Park. The event also includes a pet parade and 5K run.

October

Mississippi State Fair – Amusement rides, concessions (fried Twinkies), music, and variety of agriculture and livestock competitions
